

March 11, 2022

To Whom It May Concern,

The attached letter "**Project Scope: Add new Model Numbers X-IQ-AM1-240, f/b 3 or 4, maybe f/b C, maybe f/b ES**" describes notice of authorization of UL mark for the IQ Combiner 4 (X-IQ-AM1-240-4) and the IQ Combiner 4C(X-IQ-AM1-240-4C). These are newer models of the IQ Combiner 3/3-ES and 3C/3C-ES. These are also added to the same UL file as the earlier combiners. The IQ Combiner 4 and 4C are fully backward compatible. They can therefore be used in place of any IQ Combiner 3/3-ES or IQ Combiner 3C/3C-ES, while serving the same functionality and safety.

Sincerely,

A handwritten signature in black ink that reads 'Utsav Ghosh' with a double underline.

NOTICE OF COMPLETION
AND
AUTHORIZATION TO APPLY THE UL MARK

2022-02-08

Travis Bizjak
ENPHASE ENERGY INC
1420 N McDowell Blvd
Petaluma, CA, 94954-6515, US

Your Reference: 2036946
Our Reference: File E341166, Volume 1 Order: 14203864
 Project: 4790295093
Project Scope: Add new Model Numbers X-IQ-AM1-240, f/b 3 or 4, maybe f/b C, maybe f/b ES

Dear Travis Bizjak:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at the factory location(s) identified on the Authorization Page of UL File E341166, Volume 1. You are required to send a copy of this letter to all manufacturing locations authorized under UL File E341166, Volume 1.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!

Sincerely,

Danny Meléndez Slade
