

## Labor Reimbursement for Warranty Service

(Effective October 26, 2021)

Belgium, Denmark, France, Germany, Hungary, Luxembourg, Netherlands, Poland, Portugal, Republic of Ireland, Spain, Switzerland, and the United Kingdom

The Enphase Energy, Inc. (“**Enphase**”) Labor Reimbursement for Warranty Service Program (“**Labor Reimbursement Program**”) is designed to help solar-electric installation professionals (“**Installers**”) that do not have a product purchase (or similar) agreement with Enphase offset a portion of the service/labor costs related to replacing defective Eligible Products (defined below) that are covered by an existing, active Enphase Limited Warranty, and have been installed in a PV solar system located in Belgium, Denmark, France, Germany, Hungary, Luxembourg, Netherlands, Poland, Portugal, Republic of Ireland, Spain, Switzerland, and the United Kingdom (collectively, the “**Territory**”).

This Labor Reimbursement Program is separate from our standard Limited Warranty for products. If your company has entered into a product purchase or other agreement with Enphase governing the purchase of Enphase products, this Program does not apply to you; please refer to the terms and conditions of such agreement with Enphase.

Eligible Products	Reimbursement Amounts
Enphase® microinverters (either stand-alone or inside an Enphase IQ Battery™ storage system)	<ul style="list-style-type: none"><li>• € 125 for each truck roll to a site for performing removal and replacement of defective Eligible Product(s)</li><li>• €25 for each defective Eligible Product that is replaced at that site (same truck roll)</li></ul>
Enphase IQ Battery (formerly “Encharge Storage”) (Activated on or after May 1, 2021)	
Enphase Envoy-S units (Activated on or after October 1, 2020)	
Enphase ACB 1.5 units (Activated on or after October 1, 2020)	

\*“Activated” means authorities having jurisdiction have given permission to operate.

**Labor Charges Eligible for Reimbursement:** All of the following must be true:

- The labor must be completed within 2 years of the Eligible Product being Activated.
- for the removal and replacement of an Eligible Product determined by Enphase to be defective under an existing, active Enphase Limited Warranty for the Eligible Product.
- Enphase must have performed a remote diagnosis of the failed Eligible Product and issued an RMA to the Installer prior to performing the Eligible Product Replacement; and
- Installer must submit a claim for reimbursement within 6 months of completing the labor.

**To Make a Claim for Reimbursement for Eligible Microinverter Products:**

1. Request from Enphase a remote diagnosis on the Eligible Product at issue;
2. Obtain an RMA from Enphase;
3. Perform the Eligible Product Replacement at the site;

4. Within 6 months of completing the Eligible Product Replacement, [login to your Enlighten Manager](#) account.
5. Access the site where the Eligible Product Replacement was performed.
6. Click on the Settings Tab (Gear Icon) in the upper right corner.

7. Under the 'Overview' section, click the 'click here' link below 'System Location'.

**In order to qualify:**

- Must be an reimbursement eligible product as determined
- Defective microinverter must have previously been detected
- The unit installation date must be within two years of the
- The defective microinverter must be returned to Enphase
- No claims older than 3 months will be approved.

---

Note: The link will appear only if an RMA has been issued for the site within the last 6 months. If you do not see the 'click here' link under a site for which you have performed a Eligible Product Replacement and it has been 6 months or less, please contact support [here](#).

- Once you click on 'click here' you will be redirected to the Labor Reimbursement Form along with the Labor Reimbursement Program guidelines. Please read the guidelines carefully before filling out the

Form.

- If this is the first time you are claiming a Labor Reimbursement, you will also need to submit a completed and signed Installer Reimbursement Form along with your request. You can download the Installer Reimbursement Form [here](#).
- Once you have filled out the Labor Reimbursement Program Form (and uploaded the Installer Reimbursement Form if this is your first request), click on 'Submit' to complete your Labor Reimbursement request.
- Following submission of your Labor Reimbursement request, we will contact you through your registered email to collect the required documentation for the taxing authorities ("Tax Document").
